Have you confirmed your 2023–24 income?

Families who get Child Care Subsidy (CCS) must confirm their income with Services Australia so their payments can be balanced

Before Services Australia can balance your CCS payments for 2023–24, both you and your partner (if you have one) need to confirm your family income for the financial year.

Families can confirm their income by:

- lodging their tax return with the Australian Taxation Office (ATO), or
- telling Services Australia they don't need to lodge a tax return, even if they've already told the ATO.

Families can find more on the Services Australia website www.servicesaustralia.gov.au/
